# CHAGRIN VALLEY CAMERA CLUB

May 2010 Newsletter

May is the month when flowers start to bloom and the Cavaliers bring the NBA championship to Cleveland. I hope!

## Events

**May 11:** Critique of the May Show. Election of Officers for the 2010- 2011 club year

**May 25:** Show and Tell for Field Trippers and others plus selection of a single photograph to represent CVCC in the New Members Gallery of the **Photographic Society of America (PSA)**. The photograph selected will be seen throughout the USA and overseas. We want to put our best foot forward. Each member can submit two photographs mounted on poster board including winners from previous competitions. The membership will make the selection by secret ballot in the same format used for the People's Choice Competition. The "one" selected will be electronically sent to PSA New Members Gallery.

Don't worry if your photograph is not stored on your computer since we can scan and upload it. At the beginning of the meeting, I will commission a committee (three members) to break ties and select a single winner. For the field trippers and others in the "Show & Tell", prints need not be mounted. Show the print, tell us why you took the photo, with technical details that you want to divulge.
