Each member may submit TWO (2) images. All work must be wired for hanging, no saw tooth hangers will be accepted. A label attached to the upper right corner on the back of the image shall include name, title, category and an order of preference for hanging. As there seems to be little/no interest in selling images at show, no general provisions will be made to display prices. A member may affix a small notice with selling price and contact information to the image AFTER judging is completed. There shall be no identification of the maker on the front of the image or mat. Images will be judged in three categories:

- Color – Realistic appearance
- Black and White – Realistic appearance
- Artistic Impression – including color and black and white

Artistic – The images may be representations of whatever the artist/photographers is inspired to exhibit. Impressions, abstractions, or totally artificial creations are allowed. Both in camera and post production techniques are equally welcomed.
